BIG CITY QUALITY. HOMETOWN CARE

The Patterson Cancer Care Center

is committed to delivering quality care, combining state-of-the-art cancer treatment with comprehensive

and compassionate support services. The cancer center is a multidisciplinary center offering all aspects of cancer care in one location. Our nurses are trained in holistic nursing, caring for the whole patient - mind, body and spirit.

Medical and Radiation Oncology

Our medical and radiation oncologists are board certified, having completed rigorous examinations to achieve this designation.

Patient treatment plans follow evidence based National Comprehensive Cancer Network standards and are the same as those implemented at comprehensive cancer centers nationwide.

All chemotherapy drugs are prepared on-site by registered pharmacists who have specialized training and knowledge of cancer drugs and are administered by oncology certified nurses. Pharmacists are also available for patient education.

Services Offered

- Chemotherapy
- Biotherapy
- Immunotherapy
- Bone marrow biopsies
- Blood transfusions
- Injections
- Phlebotomy
- Mediport maintenance
- IV therapy infusions as ordered by primary care physician or other specialist
- Intensity Modulated Radiation Therapy (IMRT), a state-of-the-art cancer treatment that delivers high doses of radiation directly to cancer cells, much more precisely than is possible with conventional therapy
- Image Guided Radiotherapy (IGRT)
- Definitive and palliative treatments
- Free cancer screenings throughout the year
- Lending library and educational materials

Complementary and Alternative therapies

- Labyrinth - a meditation path
- Therapeutic Touch - a technique to aid with pain management, healing, and relaxation
- Reiki - a technique to promote stress reduction, relaxation, and healing

- Hand massage with aroma therapy - to promote relaxation
- Holistic nursing care - caring for the whole patient - mind, body, and spirit

American Cancer Society Patient Resource Center

An American Cancer Society patient resource center is located at the Patterson Cancer Care Center, offering services, support, education, and encouragement to patients and their families.
